Deep in the heart of Club HQ, we've heard the old jungle drums beating, and we've listened wide-eyed and attentively to the racket they've been creating. So we heard your cries of Holly, Jasmine, Bexxie and Lexi to which we have surrendered Club (mostly happily), and we've also thrown in a few extra biscuits of our own to nibble on, and who can blame us? When there as delightful as the likes of Jessi and Goldie, who will have you bucked up and as stiff as a broom handle in no time. Bon Appetite!

Dear Club,

My husband and I own a chippie in a seaside town.

I enjoy the lively banter we get from the blokes who stop in on their way home from the pubs at night, and even though I love my fella very much, I still like to have a bit of a fling now and then. My Frank is okay with this, or at any rate, he turns a blind eye, and anyway, these days he's more interested in what came first in the 2.30 at Doncaster.

This year we took an early holiday in Spain, and when we returned home, I was mad to display my tan. So I got my hair bleached and straightened and along with my fresh tan I began to dress a lot more daringly to work. My new look worked and before long I was getting attention from more younger guys than before. I have this thing for young blokes, and continually being the centre of their attention made me feel more sexy and playful.

The result was that I had a few flings over the summer and was thoroughly enjoying myself and making lots of friends while serving behind the counter. The most memorable of my conquests was a 21-year-old biker named Thomas, a fairly regular customer who had always who made my pussy dampen, even when he just looked at me. Tom wears his black hair slicked back with gel, and everything about this guy is hot from the way he slides his dark glasses back from his face to the almost constant bulge in his tight leather biker trousers.

One night not long before I was due to lock up the shop he came roaring up to

the chip shop on an enormous shiny black motorbike. I was seriously impressed, motorbikes have always done it for me, and the thought of sitting astride that beauty had my pussy dripping within seconds! I as he was immediately surrounded by his mates and a group of young girls.

I had just about given up any chance of having a fling with Tom when I saw the extent of the competition, but the next minute he swaggered into the shop, brushing off the girls who swarmed around him like gnats, and made a beeline for me. Placing an order for a burger and chips and looking me over suggestively, he asked me if I fancied going for a ride on his new bike once I shut up shop.

I assured him I was well-up for a moonlight spin and hurried out to join him.

I was only wearing a tiny thong beneath my short cotton summer dress, so I could feel the soft leather upholstery caressing my arse-cheeks. For a moment I just sat there, enjoying the throbbing of the powerful engine. Then Tom swung the machine off the path, and I held on to him tightly as he let the engine rip. Tom took the cliff road and stopped the bike near the cliff edge so we could look down at the sea.

The smell of his leathers condensed with the faint scent of my juices created a heady aphrodisiac for me, and I was shaking with sexual tension and desire as Tom helped me to dismount. It was a balmy night and our bodies felt hot as we became locked in an intimate embrace. We could hear the sounds of cars in the distance, and although we had the cliff top to ourselves we could not be sure for how long.

Tom's hands were all over my big tits, groping at my fleshy pillows. Kissing him hard on the lips, I grabbed his crotch and in a stern tone, I told him to take it easy. I assured him we would have plenty of time to cover up as we could see any car lights a long way off.

Intending to give him such a good time that he'd come back for lots more. Undoing the front of his leather trousers I hauled them down to just above his knees. Then, sinking to my knees on his jacket, I began to suck on his substantial cock, taking him deep in my mouth until I could feel the tip of his lovely prick knocking against the back of my throat.

I don't think Tom had ever been given head by an experienced woman before because all his self-confidence and cockiness left him and he sounded like a grateful little boy. I intended to show him just how good it could be, and as he brushed back my hair to watch me, I began to diddle his balls gently in one hand while squeezing the base of his cock with the other. Tom gasped as I tilted my head back so that I could swallow another inch or so of his meat without gagging. His hands gripped my hair tighter now as he became more and more excited. Soon he was thrusting his cock in and out of my mouth, fucking my face as hard as he could. I gasped and tried to go with him but in the end, while it was fun I wanted a good deal more than this, so I jerked my face away from him.

Moving sexily to his bike I shimmied out of my thong and dropped it on the grass. Naughtily I pulled my skimpy summer dress up, allowing him to see the pale flesh of my bare buttocks in the moonlight. Then, looking back at him provocatively, I invited him to take me from behind as I draped my body enticingly across his saddle.

Tom checked that his precious bike was securely balanced on its stand before running his hand across my juice-slicked cunt. I was hot and ready for him, and his cock slid easily into my vag. Without any hesitation, he began sawing his rod in and out of my slit, and before long I felt my toes curl in my sandals as he rode me to a spine-tinglingly brilliant orgasm.

But fair play to Tom, he had a bit more stamina than I'd expected, and despite having climaxed myself, he was still a way off. Pulling me away from the bike, he slid out of my quivering hole and, repositioning his jacket on the ground; he lay down on his back, his lovely pole poking straight up in the moonlight. Well, it was too good to resist, so hitching my short dress right up, I stood over him and, holding my soaking pussy lips open with one hand, lowed myself down onto his hard prick.

I couldn't believe that this young stud would have the stamina to bring me off twice before he came himself, but as I ground down on his pole I soon realised that it was going to be me who came first, as he alternately tweaked my sensitive nipples and grappled with my arse cheeks while my clit rubbed deliciously on his crotch.

Once again I found myself flooding his pole with my copious juices as I came again, and by the time I'd recovered from this second orgasm I was putty in his hands.

Tom probably sensed this, because I suddenly became aware that he'd slipped his prick out of my sodden gash and was now gently teasing the tip round the opening to my bum. Well, I don't usually like to do anal on a first date, but this was something a bit out of the ordinary, so I looked down at him and smiled as his slippery dick suddenly slid its way into my back passage.

I gasped as he filled me and began fucking my bottom, but by now his resistance was exhausted and, after a couple of minutes he jerked his hips even harder and flooded my arse with his thick sperm.

I could barely stand as he helped me to my feet, but eventually, we managed to get back on his bike and head home. We're now making a regular thing of it, and I can't get enough of my new young stud!

HOLLY ♣

Here we are half way through the year, and Club was still yet to feature the Page 3 stunner Holly Gibbons! We nearly eat our hats when we realised and quickly sought to correct this travesty. Luckily Holly didn't hold it against us and came into the office to help us with our dilemma. She was very understanding and quickly stripped off down to her undies, which gave all of us a rising feeling! ♣

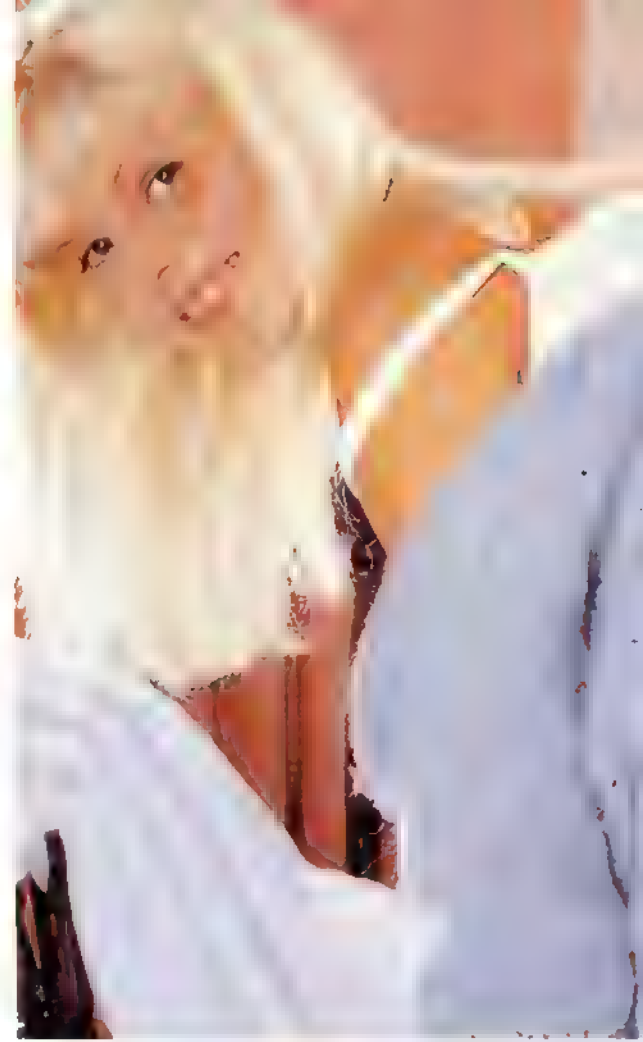

TOTAL RECALL

Somebody remembers the captivating Cameron well.

"I was completely hooked by her when she was in the pages of Club and had a total hard-on when you showed the pic of her firm peachy little bottom, spreading her legs and showing the sweet pink petals of her pussy." Very aptly said Nicholas from Wolves, you are a keen and complimentary observer of Cameron's lickable slit So here you go Nic, and we hope you enjoy Cameron Vol.26 No.9, the second time round as much as the first over. What a cracker!

Crystal Clark has been exchanging lily pads as she hops across the pond to deliver us Brits more than a stirring, with some American panache. Once all's said and done, the Auburn haired siren really did have us panting and roaring for more. So much so that we steamed up her glasses in the process and the poor woman had to stumble around blindly for a few minutes while we were shooed away. ♣

Weber Q1200

Yes, we're well aware that the Weber Q1200 looks like an extraterrestrial spacecraft landing, but my god can this thing barbeque. Now for some controversy, most foodie's will argue that nothing beats charcoal when it comes to open flame cooking, and I have to agree whole-heartedly with them. But if you want efficient and stable outdoor cooking than gas is the way to go, and the portable Q1200 is compact, with a cast iron cooking grate, built-in thermometer and conveniently uses readily available disposable gas canisters. There are two side tables to make serving an easy affair, and it's all topped off with a push button Piezo ignition, so no more fiddling around with matches in a hurricane.

Kindle Oasis

www.amazon.com

Is that a mirage I see before me or is it an Oasis? Actually, it's an Oasis, minus the camels! Yes, I'm having a quite moment of joy (literally) with the Amazon Kindle Oasis. It's as close as I've ever managed to get to a real book reading experience, and I think it's safe to say Amazon have pinned down the new generation of eReaders. The Oasis even feels different to the traditional Kindle, with one side of the device much thinner than the other and at its slimmest point is only 3.6mm. It almost, dare I say it, feels natural in the hand. There are two buttons to flick through pages with, 60% brighter e-ink display and nine weeks of battery life; you really can submerge yourself in the experience. A top end product for any avid reader.

So it would appear we are all heading towards virtual reality gaming, and with the Samsung Gear VR on the market the future is now becoming reality, at not too shabby a price might I add. The Gear VR requires a mobile device to power it, of which anything from the Samsung Galaxy S6 onwards will do the trick. This VR is completely wireless, has a 96-degree field of view, proximity sensor, focal adjustment, 360-degree head tracking and navigational touchpad to boot. It's also a comfortable experience and has a reliable library content that is pre-loaded onto a microSD card. The whole headset is powered by Oculus technology thanks to a recent partnership. A straight forward and powerful device for its class. You can, of course, try creating your own VR with scuba goggles and some handy duct tape, but you may go cross-eyed in the process.

JASMINE ♣

Jasmine James had us hook, line and sinker when she quite literally, not metaphorically tumbled into my lap! "Oh, I'm so sorry!" "Don't worry were not and your most welcome to stay seated if you like?" I told her with a grin. Jasmine gracefully declined and instead perched herself on the end our desks, which was mildly worse as we could see all of her magnificence before us, which we dutifully stared at. Needless to say, if she'd happen to fall straight into my lap again, she would have been met with something solid to break her fall. ♣

The month's of June and July shall blossom fruitfully and give pleasure to man', so somebody or other wrote; probably the Bible, it's quite a saucy read at times! Now having taken this as verbatim we can proudly present our debutante for this issue, the stunning stars and stripes beauty Jessi June, safely in the knowledge that it is destiny calling. ♣

Asa is wanton and destined to dance for the devil's cock as she sucks, slips and squeezes every throbbing member available to her. To kick start Asa Goes to Hell, is the a surreal masturbation scene in an alleyway with a hands on couple in the background, which gets the build up in full swing. Hoorah! Bexxie Williams is back with us and on the cover no less. About time to in our opinion as Bexxie has been simmering away between the pages of Club for some time, and now things are set to boil. I think we can also safely say from looking at the results across this spread, we've entered the era of Williams (though entering of another kind is what we've been dreaming about), so let us raise a toast and our flagpole to our latest cover girl. ♣

Goldie Looking Chain isn't down a member are they? Well, that can't be a bad thing if the glamorous Goldie is anything to go by, she's much better off lolloping by the poolside in a siren-like manner, where we can get a good look at her and those bright red lips. Goldie's certainly got the wet look but is anyone else thinking of her popping a square of Galaxy between those plump lips, among other things right now? ♣

TALKIN' BLUE

Pussy Prize

Every year on the Sunday following the village Gymkhana, my family hosts a garden party. I always enjoy the garden party because I usually have some friends to stay, and we have a merry time of it. Last year's garden party was not only entertaining, but also educational. I had invited my new friend Caroline, my boyfriend Harold and his cousin Rob to stay with us for the weekend.

Things were going splendidly, as right from the start, Caroline got on famously with Rob, leaving me time to have a fly shag with Harry when the opportunity arose. We had driven down on the Friday and arrived in time for the gang to meet my parents and have dinner.

The next morning, having thrown Harry out of my bed before dawn and sent him back to his own room, I got up, showered, and pulled on my skin-tight jodhpurs. I like my clothing to look just so, and never wear panties under my jods as knickers lines spoil their smooth elegance.

I was eating cornflakes in the kitchen when Caroline joined me, dressed in some shorts and a skimpy top. Grabbing a bowl and

sitting beside me, she complimented me on how sexy I looked in my riding apparel. Smiling at her, I told her that although I had not thought about it before, wearing the gear did indeed make me feel sexy.

Not long afterwards we were out in the stables feeding my horse, Trooper, and getting his tack ready for the competition later that day. I was bending over a bale filling his hay-net when Caroline came up behind me... and deliberately ran her hand over the curve of my arse!

I stood up slowly; my senses stimulated more than I could have believed. I had never been attracted to another woman as I was to her before. Her porcelain-skinned delicacy and feminine softness had been at the root of many of my latest masturbatory fantasies. This girl seemed to be able to flick a switch in my head that I didn't even know was there.

Since meeting her, I had wanted to become more than friends, but I'd had no idea how to broach the subject. She must have been pretty bloody sure of herself because her arms were around me as soon as I drew breath. I was nervous because I had never even so much as kissed another girl until that moment. But we both knew what we wanted. I couldn't think about anything but becoming intimate with her.

Caroline broke our embrace long enough to pull her tiny top over her head and unsnap the front clasp of her bra. Her breasts were marvellous, big and full, with cherry-coloured nipples. She didn't wait for me to strip, she reached for my blouse and unfastened it. Then her hands were rubbing my breasts through the delicate cups of my lace bra and her tongue was pushing deep inside my mouth.

We were kissing like lovers, fondling each other's tits and grinding our hips together as if we were fucking one another. My nipples felt so sensitive to her touch that I couldn't help letting out a little moan of pleasure. Her mouth tasted sweet – so very much sweeter than any man's ever had.

She pushed the cups of my bra up so my breasts were fully exposed. The pressure of my tight, still-fastened bra pressing against

the top of my chest while my breasts hung free below it, was indescribably erotic.

Caroline sank to her knees and kissed the bulge of my pussy through my skin-tight jodhpurs. "I can smell you," she whispered up at me. "I want to be a nasty girl and suck your cunt."

She used two fingers to rub my pussy through my moistening crotch. The material there was getting damper and damper with my growing excitement, and I somehow managed to wriggle the jods down over my hips and push my pussy against her waiting mouth.

I entwined my fingers in her hair, and it was all I could do to keep from pulling her face

against my taut, trembling slot. Expertly, she parted my labia, exposing my juicy figlet, and slid her tantalising fingers back and forth inside my inner pinkness. I could feel the smoothness of her soft, feminine cheek on the inside of my thigh as her lips lingered alongside my slit. Then she straightened her fingers and pistoned them up into my opening, practically sending me over the top when she did!

While she finger-

“The way she was nibbling and sucking my little bud was sheer heaven...”

fucked me, her tongue found my clit. I spread my legs further to give her more access to my mound. The way she was nibbling and sucking my little bud was sheer heaven, and I wiggled my bottom a little to encourage her. Then, as her fingers found my special place, I sprinkled my juices onto her lips and hands, just as we heard our men's boots clattering on the cobblestones in the yard

For the rest of the day, Caroline and I were kept busy at our various tasks, and that

“We lay down on the grass and I put my mouth to her cunt so I could probe her warm slit with my tongue.”

evening social etiquette demanded that we have dinner with the family and amuse the lads. That night I barred Harry from my room, feigning exhaustion due to the exertions of the day.

The next day was bright and sunny, and both Caroline and I flirted with our suitors while casting furtive glances at one another. After one o'clock the guests began to arrive, and the garden was soon filled with people enjoying themselves. Both Caroline and I chose to dress in white, and it was incredible how innocent she looked in her pretty little summer frock.

Later in the afternoon, Caroline and I managed to give the boys the slip and, hand in hand, we walked to the further reaches of the garden. The sun was hot and we were both glowing in the afternoon heat. I was incredibly turned on and anxious to get my first taste of Caroline's box.

We found a shady spot and I unfastened her dress, sliding it over her creamy smooth shoulders and right down to the ground while she stepped out of it. I was now in such a state to get at her, that without giving Caroline a chance to lend a hand, I humedly undressed.

As I reached for her, I noticed a stirring in some bushes nearby and glimpsed the lads watching us from the shelter of the shrubbery. Whispering agitatedly to Caroline that we had some spectators in the bushes, I was surprised to hear that she already knew and that she had in fact invited the boys to watch!

At first, I was horrified, but soon relaxed when she explained that they had rumbled us the day before and that they were very turned on by our activities. She winked at me and suggested that we give them a show to remember. I unpeeled her panties and looked at her beautiful shaven cunt in awe.

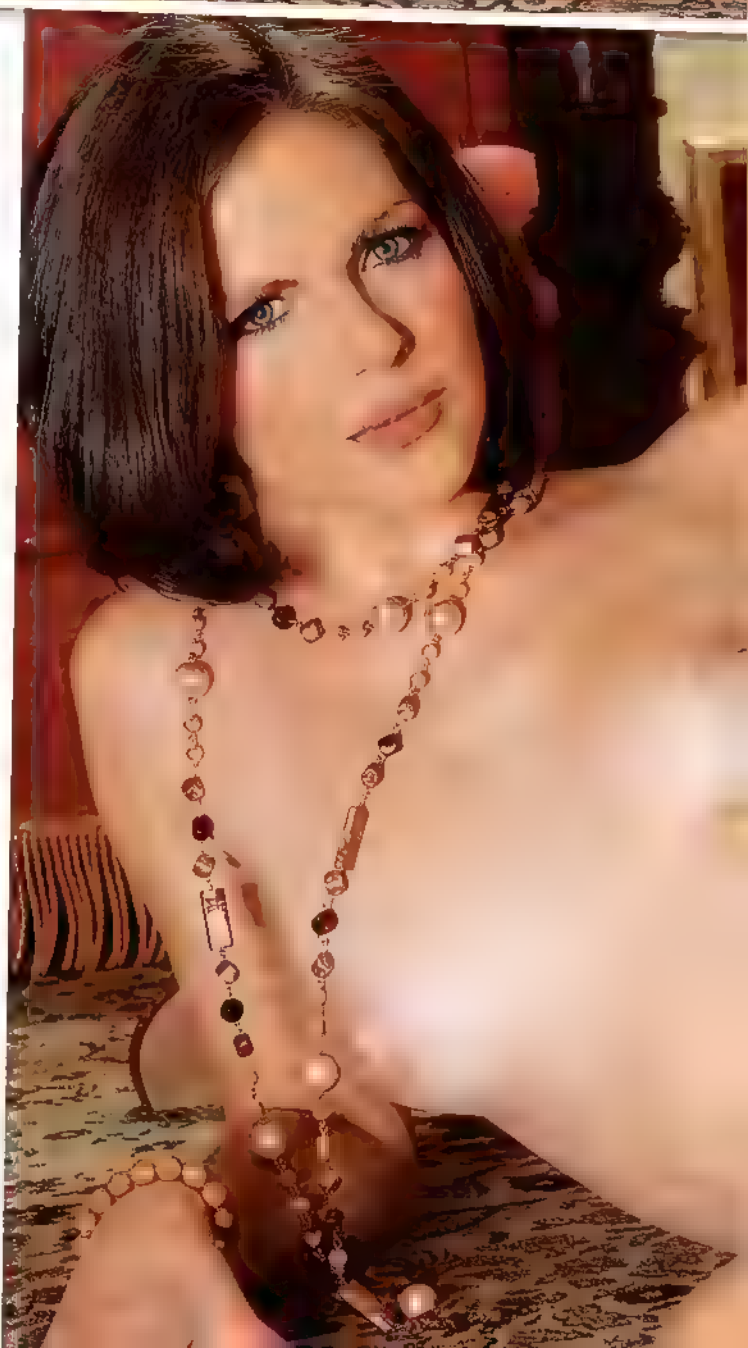

She reached down and rubbed herself while she looked into my eyes. I wanted to eat her so much that my pussy was juicing and tingling. We lay down on the grass and I put my mouth to her cunt so I could probe her warm slit with my tongue. She had a strong

flavour and a musky aroma, and I wondered if I had tasted the same way to her lips.

She bent over my body and ate my pussy while I ate hers. I tickled her arsehole with my manicured fingernail while I slurped her pussy juices delightedly. We seemed perfectly in tune with each other, knowing what felt good, and exactly how fast to go, and when to change the rhythm of our tongues.

Then she slipped a finger inside my arse-
ring, and it felt so good that I did the same to her, prying open her puckered anal rosebud after licking my finger to coat it with saliva. Caroline wiggled, desperate for the attention of my tongue inside her glistening pink folds. Whenever I slipped my finger out of her sphincter for a second, her tight little fanny-hole would wink at me and leak out her womanly nectar.

When she started to

cum, I felt her ring flexing tight around my probing finger and knew that my own anus was doing the same thing. We were cumming together, bucking against each other on the soft grass, while our pulsating pussies spat out our juices and we mewled softly with joy.

By now the two boys had become more daring and had moved nearer to get a better view. Openly fingering their engorged erections, they were jerking with gusto as they watched our little exhibition. I felt a tremendous surge of excitement and power as I realised the effect that our Sapphic lovemaking plainly had on the two poor blokes.

With a sneer, I indicated their cocks and remarked casually to Caroline that they had better improve their performance if they wished to compete for our attentions. Picking up on my intention, she joined in by remarking that they would have to pump up a string of proper jizz from their pathetic little cocks if they were to have any hope of a ride in the future.

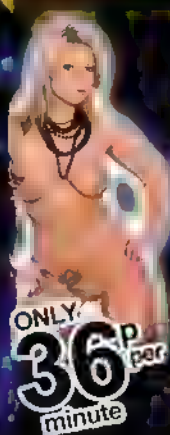

Their orgasms seemed to be triggered by the humiliating taunts being thrown at them, and they cast copious floods of their semen over Caroline and me.

Delighted by the extra stimulus of the spunk shower, Caroline and I began to clean each other. Our tongues lapped up every last sticky drop of our male admirers' cum.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

TIGHTIE WHITIES

I've always had a major sexual 'thing' for girls wearing white cotton panties. I suppose one reason might be that these fetching little white undergarments are generally worn by younger, less sophisticated females. I find natural fabrics to be much more pleasant to the touch, and as they are far more absorbent than synthetics, they hold the ladies' erotic scent better, which greatly enhances my pleasure.

Over the past few years, I have spent many happy moments undressing my girlfriends and revealing their cotton-clad pussies, but the most exciting of them all has to be my current girlfriend, Angie. Just thinking of the outline of her sweet young pussy bulging against the tight white fabric makes me rock-hard.

Angie is a vivacious 19-year-old with a neat young figure and perky little tits. Because of her inclination towards wearing white cotton panties and ankle socks, she has a deceptive air of innocence about her, but nothing could be further from the truth. Angie is a dirty little tart, and is, in fact, one of the hottest fucks that I've ever thrown my leg across.

Just a few evenings ago, when I walked into my kitchen after a hard day at the office, I was greeted by the welcome sight of Angie's arse sticking up in the air. She had been bending down to retrieve a roll of kitchen paper that had accidentally tumbled off the worktop. She was wearing one of my shirts, which had ridden up over her delightfully pert little buttocks as she bent over, allowing me a peep of her white cotton gusset before she stood erect again.

Inflamed by such an erotic sight, I removed the kitchen roll from her hands, and kissing her hungrily, I lifted her up and sat her on the kitchen table. Flipping her shirt-front aside, so the white 'V' of her panty crotch came into view, I gently pushed her onto her back with her knees bent and set her feet on the table top. As I lowered my head towards her crotch, my nostrils were assailed by the delirious fragrance of her pussy, which was dampening the snowy white fabric with her essence.

My lips moved toward the reinforced cotton gusset, and I reached up and mauled her soft little tits. Then, moving my lips over her pubis, I sucked her juices from the saturated fabric. Pressing my tongue hard against the material, I sought out her swollen clitoral hood, hidden away beneath the panty crotch.

Without my having asked her to do so, Angie leaned further back on the table, raised

her bum-cheeks slightly and opened her legs wide enough for me to have easy access to the entire length of her panty crotch. Abandoning her neat little breasts, I moved my hands down to her crotch and held her legs firmly apart. I peppered the insides of her thighs with little kisses, alternating this with nuzzling my nose and lips against her sweet-smelling, albeit-still-protected snatch.

Angie giggled and urged me to continue kissing her there; then she pulled my head flush against her now completely moistened panty crotch. I paid special attention to her clitoris and vaginal entrance as I ate her right through the material.

Finally, after what seemed an eternity of panty snuffling, I stood up. Angie kept her legs well opened, so I was able to work the head of my penis, which was still inside my trousers, right up against her box. She sat up and wrapped her legs around my waist, holding me hard against her, before undoing my belt buckle and unzipping my trousers.

Taking my cock out, she licked her lower lip sensuously. Then, with a wild, wanton expression on her face she slid off the table and knelt on the floor in front of me. She smiled up at me as she pulled my trousers

down my legs.

Her fingers moved to the waistband of my boxers, and she slowly drew the material over the head of my cock, exposing my helmet, which was dribbling with pre-cum.

Angie planted a soft kiss on my exposed cock head. Then, staring directly at my straining member, she slowly drew my shorts all the way down. It felt really sexy,

standing in front of Angie with my shirttail to either side of my unholstered sword, and the way she affectionately stared at my cock made me feel warm inside. She grasped the middle of my shaft in the palm of her hand and squeezed it, causing the helmet to blush even darker.

She licked her lips sensuously, and I gulped, anticipating that those thick lips soon be

“Having sucked one testicle, she went to work on the other, sucking it back and forth...”

wrapped around my cock. “Suck me, please,” I begged her.

I watched with growing pleasure as Angie’s lips formed the familiar ‘O’. I wanted to plunge myself into her but decided to hold back and let her do all the work.

The wait was more than worth it. I closed my eyes and enjoyed the pure, sweet ecstasy of the moment. She began using the tip of her tongue to rim my pee-hole, flicking her tongue over my knob then changing the amount of pressure she applied with her fist and altering the rhythm as she orally massaged my growing member. She then drew my penis all the way inside her mouth, coating it with copious amounts of her saliva. At the same time, she placed her fingers under my balls, cupping them gently, and feeling their weightiness.

Taking my cock out of her mouth, she sucked my left testicle gently, running the tip of her warm, wet tongue all over it. Having sucked one testicle, she went to work on the other, sucking it back and forth, teasing it with her tongue, and ribbling on it ever so gently. Then she became brave and, opening her mouth as wide as she could, she took my entire sac inside it, resuming her sucking and licking, working the tip of her tongue between my testicles!

When she stopped and looked up at me once more, I’m certain she could tell I was absolutely beside myself with excitement. “Turn around!” she murmured, her face a picture of pure desire. I turned, as requested, presenting her with my buttocks.

“Bend over a little and spread your cheeks apart,” she directed, her tone noticeably more confident all of a sudden. I opened my legs a bit more, for balance, then bent at the waist and moved my hands to my backside. She had never seen this most private area, nor had she expressed any interest in it, at least not up until now. I felt funny, prying my arse cheeks apart, and exposing my anus to her.

“Hold still,” Angie whispered, then moved her head forward and began kissing, tremendously softly, the inside of the splayed crack of my arse, being careful to avoid the puckered ring so near her lips. She used her tongue to lick the entire length of my crack, back and forth, perhaps a dozen or more times, each time stopping just short of my anus. Then Angie reached around and grasped my cock, slowly stroking it. Simultaneously, she pursed her lips and surrounded my anus with them. I moaned

“I shall never forget the unbelievable feeling of my anus contracting around her tongue...”

loudly.

At first, she merely kissed the puckered opening, building up more of her nerve with each passing moment. The dual sensation of a hand job and an anal kiss was so exquisite that I didn't want it to stop – ever. Angie began to lap at my ring, almost imperceptibly, in fact, it took me several seconds to realise that the tip of her tongue was actually tickling my anus. Her movements were subtle, calculated to increase my pleasure by the tiniest of degrees. Had she just plunged her tongue into me, the sensations wouldn't have been so agonizingly wonderful. When she began to slowly work the tip of her tongue into the centre of my anal opening, rimming my asshole, I thought I would faint from the sheer enjoyment. Not satisfied with having penetrated me, she soon began pistoning her tongue with varying rhythms and speeds.

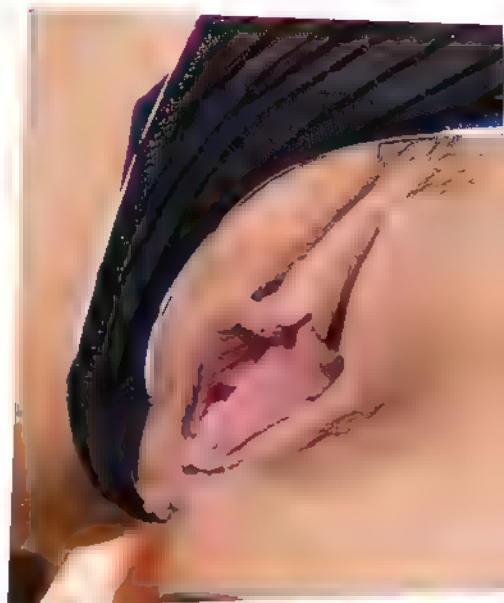

She pumped my cock faster, and I shall never forget the unbelievable feeling of my anus contracting around her tongue... Luckily I came to my senses before she made me cum off. After all, I had promised to give her a good seeing-to. I jerked forward and gently wrested my cock from her hands. Then, laying her on the floor, I lifted her legs and rested her ankles on my shoulders. I felt my cock ache as I pulled the crotch of her little white panties out of her cunt crack and spread the reinforced cotton gusset to one side of her pussy. Only a few untrimmed downy curls peeked out from the sides of the material, and, unable to help myself, I plunged my rampant tool deep inside her sopping gash.

She humped her crotch upward, pushing my cock even further in, and as I felt the damp crotch of her panties graze against the side of my penis, my seed welled up in my balls. Rubbing against the sodden fabric increased my ardour, and when my nostrils picked up that familiar odour of pungent womanhood, I became almost insatiable.

Her moisture-laden vagina was wide-open and inviting, and I battered her pouting labia

as I mashed my full length in and out of her squeelching box. She came hard, her pussy muscles clenching – constricting tightly as if her only mission in life was to milk me of my seminal fluid. Again and again, I continued to pound her box, and Angie screamed as she orgasmed repeatedly.

It took every shred of control to keep myself from firing my primed pistol there and then, but with a massive effort, I contained my sperm. With my shaft buried deep in her cunt, I breathed slowly and evenly, willing myself to relax and enjoy the blissful feeling of her pussy squeezing rhythmically around my penis. I managed more than a few more strokes, but it was too much and I force-filled her panty-framed cunt with a simply whopping load.

We've been getting the low-down on the sexy bit of welsh crumpet Lexi Lowe, as she stretched out her long elegant limbs on our chaise longue, and proceeded to strip down to a summary set of undercrackers.

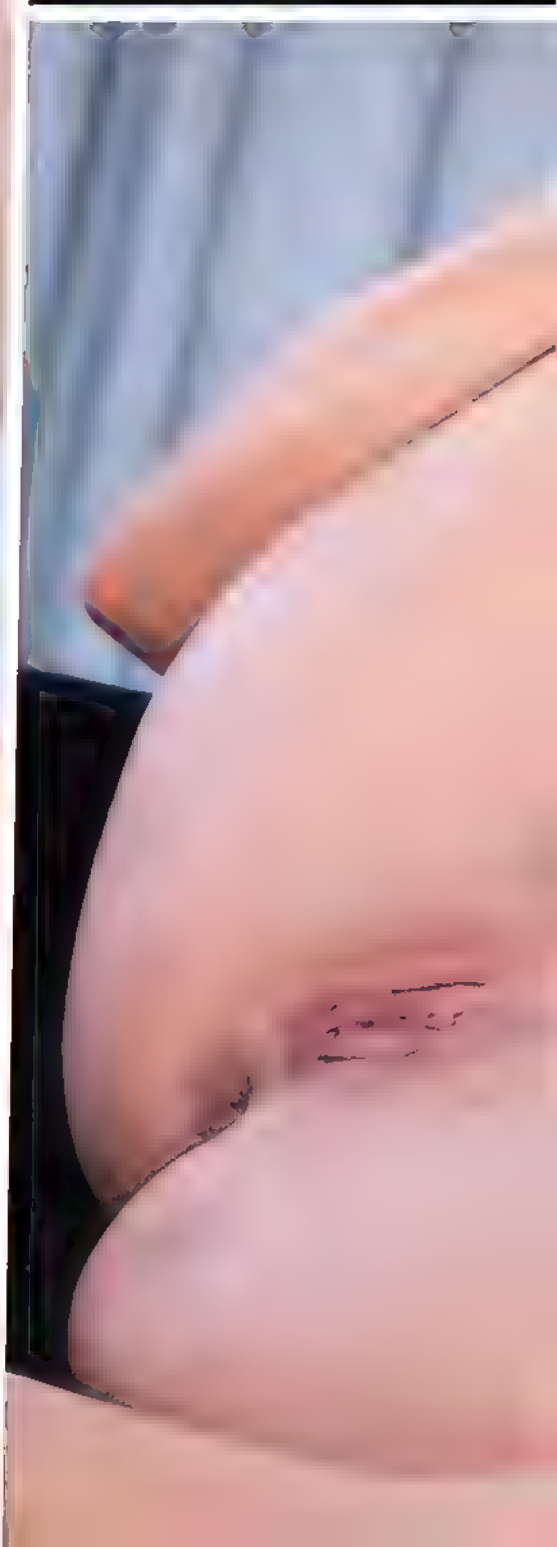

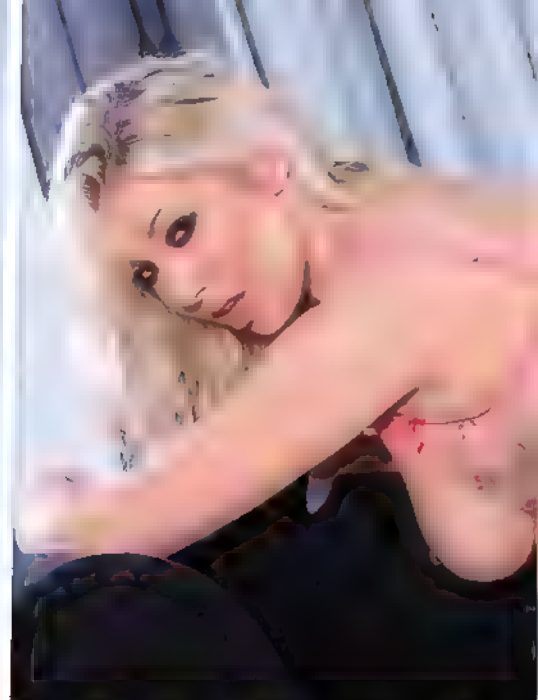

Come on then, spill the beans. Where have you been hiding?

"In plain sight of course. Well, behind a lens, I've been busy filming more than a few naughty scenes. Which, I'm sure you'll get a good look at very soon."

In that case, all is forgiven, and we hope our copy is in the post!

What our well-placed moles are telling us this month...

DOWN THE WIRE

Crack Gordon

It's titty time!

One traffic officer on a routine pull over copped a real eyeful. Elizabeth Johnson, 49, Ohio, was stopped asked to exit her vehicle after the officer saw Johnson place something up her t-shirt. Johnson became uncooperative and locked the car, insisting that she was not carrying anything illegal. In a frankly bizarre move, Johnson lifted up her top and flashed the cop. Unfortunately as she did so her crack pipe nestled neatly in her

bra sprung free. Johnson eventually left her vehicle once decent and was charged with possession of cocaine, drug paraphernalia, and obstructing police business. Now, pop that in your pipe and smoke it.

Drunken Moss

McDonalds stop serving breakfast in 5 minutes!

Perhaps David Walliams could join forces with 47-year-old, Andrew McConnachie, for a Little Britain sketch, after McConnachie led a comical 5mph chase on a stolen a mobility scooter. Events began to unfold when the suspect was ejected from a bus for being sick, then the tanked up McConnachie pinched a mobility scooter, driving the vehicle on the road at over twice the drink-drive limit. The driver of the bus on his return journey saw the accused weaving dangerously across the road and informed the police. Once McConnachie was eventually stopped, the accused claimed the scooter was his but was quickly discredited after a police check. McConnachie received a community payback order with 70 hours unpaid work and a three-year driving ban.

Crappy and Racy

Officers thought Carlos Ramos-Erazo speeding excuse was a pile of shit when he was caught doing 75mph in a 55mph zone. Ramos-Erazo allegedly stated he was rushing home because he needed "to go No.2," when he was pulled by officers who asked him to exit the vehicle, after smelling marijuana. Ramos-Erazo battened down the hatches and speed off home, throwing a package from the vehicle as he went. Florida deputies caught up with the suspect, tasing him just as he was about to enter his house. Unfortunately, there appears to be a smelly whiff of truth in Ramos-Erazo's plea, as the suspect pooped his pants on the way to the station, forcing officers to whip out the Dettol and marigolds after.
